

- TASTE THE DIFFERENCE -

MODEL 15RMT

This single-flavor, pressurized soft serve freezer consistently produces smooth and creamy ice cream, custard or frozen yogurt. This machine is excellent for high butterfat mixes like lowfat and premium ice cream and custard. Perfect for specialty buffets, high-volume restaurants, amusement park kiosks and additional flavors in ice cream stores

The Electro Freeze Advantage

- **Patented Mix Transfer System*** simplest and most reliable pressurized system available.
- **Flexible Mix Holding System Pumps** directly from bags or from mix containers
- **The Finest Frozen Product**, consistently the best frozen product available. Smooth, creamy and profitable.
- **Self Closing Spigots** prevents the mess and eliminates waste
- **Adjustable Dispense Rate** set to meet your specific dispensing speed and volume requirements
- **Exclusive Auger Design** Superior low temperature refrigeration system provides the best in class production and product quality.
- **Energy Conservation Mode** reduces energy cost and holds product safely during non-business hours
- **Superior Low Temperature Refrigeration System** provides the best in class production and product quality
- **Product Flexibility** serves a variety of frozen products, custard, ice cream sorbets, water ice or yogurt
- **Experience Tells** Electro Freeze has been manufacturing quality frozen treat machines since 1929. Superior engineering, product innovations, sturdy construction, quality craftsmanship and dependable performance are Electro Freeze hallmarks.
- **Superior Service Support** backed by a world-wide distributor network
