

- TASTE THE DIFFERENCE -

## MODEL 876

This floor-model frozen beverage freezer is designed to serve high quality fast, easy, portion-controlled, labor-saving slush and smoothies. Syrup racking with 5 bottles provides flavor options while running a neutral or core base flavor. Great for youth baseball venues, ice cream stores, fun parks and more.

## MODEL 876C

This counter-model frozen beverage freezer is designed to serve high quality fast, easy, portion-controlled, labor-saving slush and smoothies. Run a neutral or core flavor and increase your flavor options with the 6 syrup bottles provided in the rack. Perfect for country clubs, pools, festival booths and medium size hot dog and hamburger stands that have counter space available to add fun and profitable menu items.

## MODEL 877

This compact, counter-model frozen beverage machine offers the same high-quality smoothies & slushes for operations that require lower volume. Syrup racking with 5 bottles provides flavor options while running a neutral or core base flavor. Perfect for donut shops, small restaurants, neighborhood swimming pools and rec centers, cafes and health clubs.

## The Electro Freeze Advantage

- **Product Consistency Control** provides a smooth frozen product with tiny uniform ice crystals.
- **Minimal Maintenance**, simple to operate and easy to clean.
- **Built for long life** and dependability.
- **Add to Your Profits** with the sale of frozen beverages producing large profit margins.
- **Experience Tells** Electro Freeze has been manufacturing quality frozen treat machines since 1929. Superior engineering, product innovations, sturdy construction, quality craftsmanship and dependable performance are Electro Freeze hallmarks.
- **Superior Service Support** backed by a worldwide distributor network.
